Call for Nominations

The Olga Taussky-Todd Lecture is held every four years at the International Congress on Industrial and Applied Mathematics (ICIAM). This honor is conferred on a “woman who has made outstanding contributions in applied mathematics and/or scientific computation”. The lecture is named in tribute to the memory of Olga Taussky-Todd, whose scientific legacy is in both theoretical and applied mathematics, and whose work exemplifies the qualities to be recognized.

History

The Association for Women in Mathematics (AWM) the European Women in Mathematics (EWM) and the organizers of the ICIAM07 Congress initiated the Olga Taussky-Todd Lecture in 2005. The first winner was Pauline van den Driessche, who delivered the lecture at ICIAM07 in Zurich. To make this lecture a regular event at ICIAM congresses, AWM and EWM requested that ICIAM take full responsibility for holding it. At its board meeting in 2008, ICIAM agreed to do so.

The next Olga Taussky-Todd Lecture will be delivered at the ICIAM 2011 Congress in Vancouver, Canada during 18–22 July, 2011.

The deadline for submission of nominations is: **18 October 2009.**

A nomination will consist of:

1. an explanation of why the individual is being nominated, and a description of her work;
2. a brief CV and contact information for the nominee.

The selection process is conducted by the Olga Taussky-Todd Lecture Committee. The Committee for the 2011 Lecture consists of:

Pauline van den Driessche, (Chair) University of Victoria, Canada

Christine Bernardi, Paris VI, Paris, France

Jill P. Mesirov, Broad Institute of MIT and Harvard, Cambridge, USA

Hans Schneider, University of Wisconsin–Madison, USA

Robert Tichy, TU Graz, Austria.

Nominations should be sent by email to: pvdd@math.uvic.ca.

If email is not possible, nominations may be sent by fax or post, but must arrive by the deadline.
