### Call for nominations for ICIAM Prizes for 2011

The ICIAM Prize Committee for 2011 now calls for nominations for the five **ICIAM Prizes to be awarded in 2011**. Each ICIAM Prize has its own special features, while being truly international in character. Nominations are therefore welcomed from every part of the world. A nomination should take into account the specifications for a particular prize, and should contain the following information:

- full name and address of the person nominated, and web home-page (if any);
- name of the particular ICIAM Prize;
- proposed citation (concise statement about the outstanding contribution, in fewer than 250 words);
- justification for nomination (cite nominator's reason for considering candidate to be deserving, including explanations of the scientific and practical influence of the candidate's work and his/her publications);
- brief CV or short biography of the nominee;
- name and contact details of the proposer or proposers.

The deadline for nominations is 21 September 2009.

The nomination should be sent to the President of ICIAM, Rolf Jeltsch, preferably in electronic form. Nominations will be acknowledged.

No other correspondence will be entered into.
